

The Friends of Wolfner Library, established in 1985, support the Wolfner Library for the Blind and Physically Handicapped with dedication.

Transition to the Digital Talking Book, the summer reading program for children, descriptive videos and the volunteer narration project are some of the endeavors sponsored by the Friends to enhance Wolfner Library patron services.

As a 501(c)3 not-for-profit organization registered with the IRS, contributions, gifts and memorials to the Friends of Wolfner Library are tax-deductible.
